Dear Requester:

Reference is made to your Freedom of Information Act (FOIA) request, which was originally submitted to the United States Secret Service (Secret Service) on February 6, 2017, for information pertaining to all emails from the domain EOP.gov to senior managers encompassed within the required agency system for retaining emails of senior officials, frequently described by the name Capstone, from January 20, 2017 to February 6, 2017

In our acknowledgement letter to you, we advised you that due to the increasing number of FOIA requests received by this office, we could encounter some delay in processing your request. However, we want to let you know that we have been making every effort to reduce the backlog of cases.

For your information, documents responsive to your request have been located, forwarded to this office for review and are in processing. Upon completion of the processing, all documents that can be released will be made available to you at the earliest possible date.

If you have any questions or would like to discuss this matter, please contact this office at (202) 406-6370. Please use the file number indicated above in all future correspondence with this office.

Sincerely,
